**Town of Jefferson Water Resources  
SYSTEM PRESSURE ADVISORY IS CANCELLED  
Monday, September 30, 2024**

The SYSTEM PRESSURE ADVISORY and BOIL WATER NOTICE issued on Saturday, September 28, 2024 as a result of the water main break on Luther Road has been allowed to expire. Bacteriological analyses conducted at various locations in the distribution system revealed coliform bacteria to be ABSENT. All customers may return to using their water for normal human consumption as before, with no boiling necessary. We ask all residences, businesses, and industries to conserve water as prudently as possible until our system returns to full volume.

The Town of Jefferson appreciates the patience and understanding of our customers in these situations.

If you have questions or concerns, please call us at (336) 246-2165.
